

**POLYMER SOLUTIONS
INCORPORATED**

cGMP Compliance Statement

August 16, 2019

SGS Polymer Solutions Incorporated (SGS PSI) provides contract analytical testing for many industries including the medical device and pharmaceutical industry. Our laboratory quality system is accredited with the recognized Internal Standard ISO/IEC 17025 by ANAB, Certificate Number L1191-1. SGS PSI is registered with the U.S. Food and Drug Administration (FDA) under FEI Number 3006500754. SGS PSI is compliant to 21 CFR parts 11, 210, 211, 610, and 820 as it applies to laboratory testing.
